## CHINA MAID IN COURT

Yap Kean Before Judge Estee.

SHE ASKS TO LAND HERE

Her Case Goes Over--Large Amount of Routine and Probate Business.

Pretty little Yap Kean sat in Judge Estee's court yesterday afternoon and was the cynosure of all eyes while her case was going on. She is one of the daintiest little Chinese women that has ever set foot on these shores, and in her quaint costume and with her fan and tiny bandaged feet she proved an attractive exhibit in the case.

Chinese were there in court by the score waiting for the decision in the case, but Judge Estee had no chance to take it up on its merits, as United States District Attorney Baird caused the dismissal of the habeas corpus as soon as the matter came up. It appeared the application for the writ was defective in several particulars, notably in that it was signed by Yap Kean's alleged papa, Yap Fock, and not by herself. Her attorney, Judge Davidson, was given until next Monday to amend his application.

**ESTATE OF MURDERED WOMAN.**  
John Prendergast was yesterday appointed administrator of the estate of Naomi Kaahue, the wife of Pua, who so cruelly murdered her in August last, and then so fearfully gashed his own throat with a razor that he lingered for months in the Queen's Hospital to recover at last and become a subject for trial.

**WOOD ESTATE DISTRIBUTED.**  
Judge Humphreys yesterday rendered a decree distributing to the heirs of J. H. Wood, who have reached their majority, their portion of Mr. Wood's estate.

By the terms of the decree it is decided that the \$500 legacies to the heirs do not bear interest until after they become due, which is on the twenty-fifth birthday of each heir. The income from these legacies is ordered paid to the minor heirs until they attain the age of twenty-five. To Flora Jones is ordered paid one-third of the net income of the estate, on-third to Stella M. Dixon, and on-third to the four grandchildren. The sixth annual accounts of the trustees are approved. One-third of the principal of the estate is ordered paid to Flora Jones, and one-third to Stella M. Dixon.

**TO ADJUST HIS SON'S AFFAIRS.**  
Joaquin de Medeiros has applied to the Circuit Court for letters of administration of the estate of his son, Manuel D. Medeiros, who died on September 17th. The estate consists of real estate in Honolulu, valued at \$1,500. The heirs are the widow and four children, ranging in age from four years to four months.

**KAHUKU MAN'S ESTATE.**  
Joseph de Costa has asked Judge Humphreys to appoint M. G. Silva as administrator of the estate of John de Costa, late of Kahuku. The estate consists of a life insurance policy of \$1,000, and the heirs are the petitioner and her two children, aged seven and three years, respectively.

**ACCOUNTS APPROVED.**  
The accounts of S. K. Ka-ne, as guardian of the Robinson minors, were approved by Judge Humphreys yesterday. Mr. Ka-ne was surcharged with \$150, and the claim of J. A. Magoon for \$70 for services was not allowed.

**DID NOT PAY FOR LAND.**  
A petition has been filed in the Circuit Court for the cancellation of the order approving the sale of the James Dodd property to Joseph Hartman and J. H. Collinson. None of the purchase price has been paid, the petition says, and Collinson has already gone to Australia.

**PACHECO ESTATE.**  
Judge Humphreys yesterday approved the accounts of J. M. Camara as administrator of the estate of J. C. Pacheco, late of Kahuku. The estate is on-third to the widow, and the balance among the children.

**ESTATE OF HAMAUKU MINORS.**  
Judge Humphreys yesterday confirmed the report of the master in chancery, P. D. Kelett Jr., appointed to examine the accounts of W. O. Smith, guardian of the estate of Edward, Joseph and Keoni Hamauku.

**MONSARRAT'S ACCOUNTS APPROVED.**  
The accounts of J. M. Monsarrat as guardian of Genevieve Dowsett were approved yesterday by Judge Humphreys, as for an item of fifty cents, which was lost in the shuffle somewhere, and is charged to the guardian. Mr. Monsarrat's motion for compensation for services rendered will be heard today.

**THE HARDEE MINORS.**  
The report of the master in chancery, J. R. Thompson, appointed to examine the accounts of J. O. Carter as guardian of the estate of Charles M. Hardee, and Edward J. Hardee, was approved yesterday by Judge Humphreys.

**GUARDIAN APPOINTED.**  
H. Holmes was yesterday appointed guardian of the minor children of Emil Uhlenbrecht, who was drowned off Makapuu Point in August.

**TO QUET TITLE.**  
Kealaka has brought suit in the Circuit Court against Kahaemoku to quiet title to certain land in Paalaa, Waialua.

**JUDGMENT SATISFIED.**  
Judgment has been satisfied by J. S. Walker and Blanche C. Walker in the case recently brought by L. B. Kerr & Co. on a promissory note.

**RIORDAN'S ESTATE.**  
L. H. Dee, administrator of the estate of J. C. Riordan, has filed an inventory of the estate, showing its value to be \$2,409.25, personal property, the largest item of which is \$1,244.25 in cash in the Bank of Hawaii.

**ADMINISTRATOR OF TWO ESTATES.**  
J. A. M. Osorio has been appointed administrator of the estate of M. G. Garrido under a bond of \$500. He was also appointed administrator of the estate of Maria Borges under a bond of \$1,000.

## MARSHALL AT LIBERTY

Is Released on Bail by Estee.

HIS CASE TO BE HEARD

Editor of Extinct Volcano Gives Bonds of \$100--Attorneys Interested.

William H. Marshall is once more at liberty after three days of confinement behind prison bars and two days work on the rock pile. The editor of the extinct volcano appeared in Judge Estee's court yesterday looking as cheerful as if his brief experience of prison life had quite agreed with him. Within five minutes after court had convened an order was issued by Judge Estee admitting Marshall to bail in the sum of \$100 pending the decision of the court as to its jurisdiction of the case and Marshall was again free before noon.

To judge from the formidable array of legal talent that appeared in court when the case was called it is going to be one of the most notable of the year. There was Attorney General Dole assisted by ex-Attorney General W. O. Smith who prosecuted the case at the trial in the Circuit Court, representing the prosecution, Marshall's attorney, J. T. DeBolt, High Sheriff Brown, United States District Attorney Baird and others. The court room was full of those interested in the case.

At the outset Judge Estee announced that the matter was one of peculiar interest and he would ask that the United States District Attorney act as amicus curiae in the matter.

"It is rather a serious matter for this court to act as an appellate court to pass upon a matter which has been decided by the Supreme Court of the Territory," said Judge Estee, "but the business of this court is to consider all cases when it appears that any person is deprived of his liberty without due process of law and while I am bound to issue a writ of habeas corpus I shall want all the light on the subject that I can obtain and I will invite all attorneys who have any interest in this question to attend and assist on one side or another of the case. I shall not put any limit on the time argument. The attorneys on both sides may have all the time they desire."

"The first question which must be decided is that of jurisdiction, whether this court has a right to hear this case at all. I shall settle this matter for argument on Tuesday morning next." "As it is likely that the case will last some time," said Attorney General Dole, "I should suggest that the defendant be admitted to bail. The prosecution is willing to have him released on merely nominal bail."

"What would you consider nominal bail?" asked Judge Estee.

"One hundred dollars would be sufficient," Mr. Dole replied.

Judge Estee immediately ordered that Marshall be released on furnishing bonds in that amount.

After the question of jurisdiction is settled the case will be taken up on its merits and it is likely to drag on for most of the year. Judge Estee stated that he had not granted the writ of habeas corpus without believing that he had jurisdiction in it, but the point was a debatable one and he was willing to give all the time necessary to it.

C. S. Desky went on the bond of \$100 which Marshall was required to file and he was then formally set at liberty.

## ITCHINESS OF THE SKIN.

Everybody has their hour of trouble. But people having any irritation of the skin.

Have many hours of trouble. Nothing so annoying, nothing so irritating.

It is a hard and trying position. Leave it alone and you can hardly bear the misery.

Relief and cure have come at last. Melbourne has put it to the test. Doan's Ointment cures every form of skin irritation.

People at home are learning that this is so.

Here is proof in a statement:

Mr. William Preston has been a resident of Victoria for over half a century and therefore will be known to many of our readers. Mr. Preston is at present residing at No. 68 Argyle St., St. Kilda. He says: "For some considerable time I have been troubled with Eczema on my legs. The irritation at times was very great especially at night, and it caused me considerable annoyance. I obtained a pot of Doan's Ointment and I must say that it allayed the irritation almost immediately. Doan's Ointment is a good remedy and I can highly recommend it for Eczema."

Doan's Ointment is splendid in all diseases of the skin, eczema, piles, hives, insect bites, sores, chilblains, etc. It is perfectly safe and very effective.

Very frequently two or three boxes have made a complete cure of chronic cases that have not yielded to other remedies for years.

Doan's Ointment is sold by all chemists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Agents for the Hawaiian Islands.

## AN INHERITANCE TAX DECISION.

The Commissioner of Internal Revenue at Washington has held that a legacy tax is assessed on the amount received by the beneficiary when, in the aggregate, it exceeds \$10,000, although such benefit, legacy, or distributive share, taken separately, may be less.

## Nerve Tonic

Builds up the System. Strengthens.

This warm climate is very trying to all. The blood easily becomes impure and the nervous system greatly debilitated. But you can retain your health and keep your nervous system strong.

This is the portrait of Mr. William Fanning, of Beaconsfield, Fremantle, Western Australia. In his letter he says:

"Upon arriving in Western Australia three years ago, I found that my blood was in bad condition and my general system all run down. I suffered greatly, especially from indigestion. I had heard so much about

**AYER'S Sarsaparilla**

I thought I would try it. I did so, and only three bottles restored my strength, built up my system, and cured my dyspepsia. And I have also found it a great nerve tonic."
